President's Message

We have wrapped up another year, and another record attendance at the conference in Ocean City. We altered the conference slightly this year, and I believe the changes were well received. Congratulations to our award winners recognized on Saturday evening, and good luck to those of you who are retiring at the end of the year. There are many who contributed to a successful conference, but I want to say a special thanks to Carol Satterwhite for battling through back pain to ensure everything was in order. If we are planning anything for the MSADA, we seek Carol’s approval. It doesn’t matter what position you hold with our organization... we look for Carol. I would also like to thank Tina Queen for organizing all the exhibitors and keeping them happy. We can’t run the conference without exhibitors, and they came with some great deals and merchandise again this year. Lisa Magness created the conference app that was amazing. We now can reach a new generation of athletic administrators with new technology. Lisa also set up a booth to educate us on the Maryland State Coaches’ Association. She had information about the MSCA and the NFHS and any new changes that are coming soon. Several of you are new to the game, so her information was very helpful. Michael Duffy and Greg Whitley made sure we had classes that were suitable for AD’s at any level, while Dana Johnson secured workshops with further training so the new AD won’t be so overwhelmed and some new ideas for the ADs who have been around for a while. It wouldn’t seem right to have a conference without Joe Thomson teaching a class or leading a workshop. We appreciate all of our friends in the Delaware Association for lending a hand. We also, want to recognize our colleagues from the District of Columbia who attended our conference, as well. So again, I appreciate everyone who made this year’s conference an enjoyable time of fellowship and learning.

This upcoming year is going to be a busy time as we review our strategic plan and begin preparations for the December 2019 National Athletic Directors Conference at National Harbor. I would encourage you to join us on one or both of these activities. Talk to your district representative, and they will let you know what committees are available. Our National Conference responsibilities are also included in this newsletter.

Thank you again for a great year and enjoy your summer.

Brad

MSADA State Athletic Director of the Year

Dana Johnson  
Pual Laurence Dunbar High School

Dana Johnson was born and raised in Baltimore City. She started high school without ever playing organized sports. That is until Breezy Bishop a teacher and a coach at Western High School spotted the 5’11” ninth grader. Miss Bishop approached her and asked if she had ever played volleyball or basketball. That was that. Dana played on both the volleyball and basketball varsity teams all four years of high school. However, Dana’s mother told her she would not be playing anymore if her grades ever fell below an 85. Dana took on all the challenges.

By the time Dana graduated in 1991, she not only had kept her grades up, earning an average of 84 in Western’s College Preparatory Program, but she became one of the top female athletes that ever came out of Baltimore City. By the time she graduated she had scored over 1600 points and pulled down over 1400 rebounds. She was named the Player of the Year and Athlete of the Year by The Baltimore Sun and The Evening Sun. Parade Magazine and USA Today ranked Dana as one of the Top 10 Female Basketball Players in Con...
the country. She was being recruited by more than 150 colleges and universities. Recruited by schools such as Maryland, Georgia, and North Carolina State. But after stopping at the University of Tennessee, she and her mother knew this was the school she would attend. There must be something to it, when the coaches from Tennessee tell you that they really want you to come to their school. Dana finally thought and believed she really could at play at such a high level. So the next four years she played for the legendary Pat Summitt.

Dana finished her college playing career in 1995 with 122 wins, two trips to the NCAA Division I Final Four and was named the Tennessee Lady Vols Most Valuable Player. Dana's name can still be found in the school’s record book for points made, field goals made, free throw attempts, free throws made and rebounds.

In 1995, Dana continued her basketball experience by playing in France. She returned to the United States in 1996 and played for the American Basketball League’s New England Blizzard, before returning to Europe to play in Hungary.

In 1998, Dana joined the Bears of Morgan State University. She became the assistant coach of their women’s basketball team.

In 2000, Dana began teaching, coaching and administering the athletic program at Southside Academy in Baltimore. At the same time she coached basketball at her alma mater Western. In 2001, she coached Southside's boys’ basketball team and earned The Baltimore Sun’s Coach of the Year Award. While at Southside in 2008, she was awarded the Simon A. McNeely Teachers Award for Baltimore City.

In 2011, Dana left Southside to take over for Paul Laurence Dunbar’s retiring athletic director Barbara Allen, again teaching, coaching and leading one of the most famous athletic programs in the country. During her years at Dunbar, she has increased the number of teams from 13 to 24. And she has mentored new athletic directors by developing and facilitating professional development programs in her district.

Dana’s contributions to her community have not only included Student-Athlete Community Drives, but have included working with the Special Olympics as a site director. She serves as a facilitator for the Under Armour/Dunbar Partnership and is the director of the Under Armour Sports Camp and Fitness Program that is held at Dunbar.

Besides her teaching, coaching and athletic administration duties, Dana is very active in the MPSSAA, and the MSADA. She is the MPSSAA District 9 Chairperson for Basketball, the Region Director for Volleyball and beginning in the fall of 2017 she began her term as President of the MPSSAA.

Dana has been a member of the MSADA since becoming an athletic director and has attended the state conference since 2005. Dana’s peers selected her as the District 9 Athletic Director of the Year in 2006. In 2011, she became the District 9 Representative for the MSADA and is now in her first year as the 1st Vice President. Dana has been teaching NIAAA Leadership Training Courses at the annual conference and at the Summer or Fall Institutes every year. In addition, she is a delegate representing Maryland at the NIAAA Section 2 meetings that are held twice a year. Dana was awarded the NIAAA State Award of Merit in 2017 for her contributions to her school, her community and her state and national associations.

Dana attributes so much of her success to her mother for emphasizing the importance of an education, to Breezy Bishop for the tenacity to keep fighting and to Pat Summitt for the focus and dedication to stick with it. As a result, Dana stresses these same qualities to her students and athletes.

Dana, with assets like these, you are most deserving of being the MSADA State Athletic Director of the Year.

Congratulations!

Conference Speakers

This year for the workshops, we wanted to give information and share as well.

We kicked it off on Friday afternoon with Joe Thomson from Wilmington Friends School in Delaware giving valuable information on how to design your own athletic website. Then we had a “Pros and Cons of Being an Athletic Director” panel with Tiffany Byrd, Coordinator of Athletics for Baltimore City, leading the panel of ADs representing various parts of Maryland. The panel included Lori Brewer from the G. W. Carver Center for the Arts and Technology, Yolanda Small from Western High School and Heather Podosek from Paint Branch High School.

On Saturday morning, Dana Johnson, athletic director from Paul Laurence Dunbar High School, led a workshop on how athletic directors can obtain a balance between work and home. The workshop attendees also gave valuable information that all could utilize. Our last workshop of the weekend was dedicated to new and up-coming athletic directors – The New Athletic Directors Roundtable. Tonisha Montgomery, athletic director from the Friendship Academy for Engineering and Technology in Baltimore City, was the moderator with Todd Henning from the Academy for College and Career Exploration in Baltimore City and Jason Gordon, athletic director at Dr. Henry A. Wise, Jr. High School in Prince Georges County, as the panel members. The attendees’ years of experience varied from three days to 42 years as an athletic director. So much knowledge in one room truly helped the new ADs to begin building their foundation.

Lastly, at our Sunday morning breakfast, Mrs. Jennifer Barrett spoke about the impact that Team Impact and the University of Maryland Women’s Basketball program has had with her daughter, Ashlynn, and her family. Her speech had everyone ready to become a part of Team Impact.

Once again, the MSADA put together an educational and fun filled weekend that allowed every attending athletic director to either

Thank you 2018 State Conference Exhibitors

The 42th MSADA Conference was a huge success; selling out the entire Exhibitors Hall totaling 63 booths. Unfortunately, two (2) exhibitors were unable to attend and one (1) exhibitor was unable to participate because all the exhibitor booths had been sold.

Sparks at Play and Vantage Learning sponsored the Friday night Hospitality Room. They exhibitors gave away 31 door prizes and some of the exhibitors gave away multiple door prizes. Many of the regular (4 or more years) exhibitors included A-Turf, Boathouse Sports, BSN Sports, Cisco Athletics, County Sports Zone, Gale Associates, Gilman Gear, Kelly Sports, Lifetouch Studios, Nevco, Newsom Seed, Nightmare Team Sports, Pioneer Athletics, Riddell, rSchool Today, Sports Imports, Sportsfield Specialties, Sportsman’s, True Bounce, Turf Equipment and Supply, Varsity Spirit Fashion, Varsity News Network, Weyer’s Floor Service and York Barbell. Ten exhibitors participated in the annual raffle.

Many thanks to the gold and silver sponsors: Daktronics, Neff Awards and Sportswear, Big Teams/Schedule Star, Crown Trophy, Musco Sports Lighting and Varsity Athletic Apparel for their continuous support of the MSADA.

KUDOs to all of the first year exhibitors: ADL Promotions, Adrenaline Fundraising, All Pro Team Sports, Allogram, Avadim Technologies, Dura Edge Products, Glazier Clinics, Global Disinfection Systems, Halderman Holmes, Huddle Tickets, Hype Socks, Luck Ecosystems, NFHS Network, SiteOne Landscape, Sparks at Play, Ticket Spicket and Victory O’Neill Studios for your generous support this year.

The first Exhibitors Bingo was a great success, as well.

Because of everyone’s efforts, the 42nd MSADA Conference was wonderfully planned and executed.

Many thanks to my tag-team partners Mrs. Linda Mitchell-Holmes and Ms. Dorothea Jones, I couldn’t have made it without you. You are always there to support, guide and direct me in the right direction.

Thank you for helping throughout the weekend.

Special recognition needs to go to Randy Pentz from Century High School. On hole number 13, Randy ripped a shot that must have gone 310 yards. The ball went 10 yards forward, hit the lady’s tee marker, shot straight up into the air at least 300 yards and then came straight down!

Total hang time was estimated to be at least 10 seconds!

**In Memoriam**

Kenneth Neal Cudd, was born on August 27, 1962 and passed away on March 7, 2018

Ken was a product of Montgomery County, growing up in the Northwood High School area with his five siblings and parents in a three bedroom home. Ken went to Montgomery College then on to the University of Maryland from which he graduated in 1984 with a Bachelor of Arts in Secondary English Education. Ken was at Seneca Valley for his first four years then went on to John F. Kennedy High School in 1988 where he worked until his retirement from the Montgomery County Public School System (MCPS) in 2015. He became the Athletic Director in 1994. He was married to the love of his life, Karen, in 1990 and they had two sons, Brendan and Jonathan. His family resides in Olney, Maryland.

He knew hundreds of people throughout his 30 years in the MCPS and most could call him their friend because he easily connected with them. Ken was always quick with a joke or laugh to make people smile or feel better. His laugh was contagious. Ken was a great listener and conversationalist. He remembered people’s names, situations and experiences they had shared. He was a master storyteller. His stories and exchanges were engaging and you always left feeling like that was a great conversation. He was a smart and kind man who represented his school well and always worked hard to help his students be successful. He was a present, hard-working and diligent athletic director. He believed in the power of sport and the positive impact that sports has on young people.

Ken will be missed as a person. He left an impact on all of us as he was our mentor, friend, coach, cheerleader, advocate, comedian or a combination of all of the above. We were lucky to have known him and had him in our lives for as long as we were able.

**Certification Requirements are Changing!**
On January 1, 2019, candidates for RAA, RMSAA, and CAA designations will require Leadership Training Course 503 to the requisite requirements of established criteria. In addition, Leadership Training Course 510 will be required for CMAA designations. To be eligible for certification under the current criteria, all requirements for any designation must be completed prior to January 1, 2019.

The NIAAA has created a product bundle for any member that wishes to attain the CAA designation prior to January 1, 2019 and has not yet completed any of the required Leadership Training Courses. This bundle includes the online offering of LTCs 501, 502, 504, and 506 along with a suggested timeline for completion, study materials, and the Personal Data Form. The NIAAA is offering this bundle for a discounted rate of $550 (originally $650) to current members that qualify*.

*Qualifying members will have met all of the requirements outlined in the Personal Data Form ([click here to view a sample PDF](#)) including, but not limited to: **a minimum of two years as an active athletic administrator**, a bachelor's degree, employed by (or retired from) a school, school district or state high school athletic/activities association in such capacity that the administration of interscholastic athletics is (was) among job responsibilities. Each student is expected to schedule and successfully complete his/her exam prior to January 1, 2019. If the requirements are not met by December 31, 2018, the student must adhere to the new requirements and complete LTC 503 prior to sitting for the exam.

Maryland State Coaches Association

Spring 2018 Update

Lisa Magness, CMAA CIC

Thank you to the 23 Athletic Directors that stopped by the Maryland State Coaches Association table to chat while attending the State Athletic Directors Conference.

Our goal in the 2018-19 school year is to increase the MSCA membership as well as increase the number of coaches in Maryland to become AIC or CIC certified. Please reach out if I can be of any assistance. Thanks for all you do!

Some MSCA News:
- Membership for the 2017-18 school year will end on July 31, 2018
  The new membership application will be emailed to all 2017-18 members at the beginning of July. ADs, please encourage your coaches to join.
- Membership for the 2018-19 school year will begin on August 1, 2018
  Membership Application will become available in Mid-July
- New for the 2018-19 School Year:
  Membership will increase from $16 to $20 per coach

Some worthy benefits of the MSCA and NFCA:
- $1 million liability insurance protection, summer camps and clinics, summer coaching, and catastrophic and accident medical coverage
  Go HERE
- $100 Reimbursement for earning your Accredited Interscholastic Coach certification (AIC) or your Certified Interscholastic Coach certification (CIC)

So how do I get the reimbursement?
- Must be a member at the time you earn your certification
  Membership year is the school year of August 1-July 31
  Send your certificate to Lisa Magness, lmagness@aacps.org. She will verify that you meet the criteria and then a check made out to you will be mailed to your school’s AD.
  You can earn one reimbursement (either AIC or CIC) per membership year
- Some helpful hints:
  Must be a member before earning your certification
  Received a card from NFHS
  Email a copy of the certificate to Lisa Magness, lmagness@aacps.org
- All classes and info on what is exactly needed can be found at NFHSLearn.com

National Federations of High School Associations (NFHS) Updates:
- Executive Director Bob Gardner is retiring as of July 31, 2018 and Dr. Karissa Niehoff will take over on August 1, 2018. Dr. Niehoff is from Connecticut. She is the first female to be named the executive director of the NFHS.

Current Membership Numbers for the MSCA as of April 29, 2018
- Total Membership Number: 395
- County by County breakdown:
  - Anne Arundel (80)
  - Baltimore County (52)

MSADA Athletic Directors Scholarship
Austin Criss, a student at Liberty University is the son of Brad Criss, CMAA, the athletic director at Thomas Stone High School.

John Lowery, who is continuing his studies at Frostburg State University, is the son of Susan Lowery, athletic director at Boonsboro High School.

Congratulations!
Take a moment and consider all the MSADA offers in terms of professional growth and development for the athletic directors of the state, which in turn benefits our programs, athletes and schools. Through the MSADA, athletic directors can:

- Complete LTI Courses which enhance their professional competency
- Participate in workshop sessions which provide practical solutions for the various challenges they must meet in their positions
- Contribute to the annual MSADA Scholarship Program
- Contribute to the State Endowment Program
- Network with other athletic administrators
- Take advantage of mentoring opportunities from experienced athletic directors
  …And many more

Please consider having your school become a professional sponsor of the MSADA or encourage your booster club to make a contribution. In order to continue its valuable efforts, the MSADA could use your school’s support.

We already have a commitment from a several schools to be a professional sponsor. Will you be next? Please help the MSADA in their effort to promote quality athletic programs in the state of Maryland.

Master’s Degree Programs

The National Interscholastic Athletic Administrators Association has developed relationships with a number of universities to provide Master’s Degree programs for high school and middle school athletic administrators. In each program, the university is using selected NIAAA LTP courses as a part of the degree curriculum. The structure and cost of each of these programs varies with the university. Some programs are face to face instruction and some programs are on-line instruction. Costs of these programs vary from $5,000 up to $22,000.

Listed below are the universities offering Master’s Degree programs specifically structured for high school and middle school athletic administrators and a link to the university web site describing the program. Further information can be received by calling the NIAAA office at 317-587-1450.

District 7
Dave Deutsch has resigned as athletic director at Harford Technical High School and Emily Knowles will become the new athletic director.

District 8
The Bayside Conference had their Annual Senior Scholar-Athlete Award Banquet. One male and one female scholar-athlete honoree from each of the eighteen Bayside Conference member schools were selected. The banquet guest speaker was Andy Warner, executive director of the Maryland Public Secondary Schools Athletic Association (MPSSAA).

On May 10, 2018 the MPSSAA District VIII business meeting was held in Preston, Md.

All Bayside Conference Association athletic administrators, coaches and district sport official assignors were invited to attend. The guest speaker was Andy Warner, executive director of the MPSSAA.

Clarence Johnson, executive director of the Bayside Conference received the NFHS State Award for Outstanding Service. Clarence
has nearly 50 years of service to student athletes of Maryland. Clarence began his career in 1969 at Washington High School as a social studies teacher and coach but quickly moved up the ranks and became principal there in 1971. The District Offices in Somerset County spotted his talent and made him Supervisor of Transportation in 1983 and then an Assistant Superintendent in 1994, where he remained until his retirement in 2005. While being a school and school system administrator, Clarence kept his hand in interscholastic athletics and represented Somerset County in the formation of the Bayside Conference. He became the first principal to serve as Bayside President from 1977-1979. He followed that term with stint as Bayside Treasurer until 2001. Through those same years, Clarence simultaneously held many roles within the MPSSAA. He was elected and served as MPSSAA President from 1986-1988, represented the Bayside Conference and District VIII on the MPSSAA Executive Council, Board of Control, Finance Committee, as well as on numerous other committees and task forces. Please join us in honoring and congratulating Clarence Johnson for his unwavering dedication and continuing service to educating athletics in our state!!!

District 9
Friendship Academy of Engineering and Technology and Knowledge and Success Academy are scheduled to close at the end of the school year.

District 10 - 11
Roland Park Country School varsity basketball coach Scott Buckley has officially announced his retirement from coaching. Buckley led RPCS to a 21-3 record and championship appearance in his first season as head coach in 1996. Since then, the REDS have competed in six additional championships in the AIS and IAAM A Conference. Buckley was named Baltimore City/County Coach of the Year, Baltimore Metro Coach of the Year and Associated Press Coach of the Year for the State of Maryland during his tenure. He finished his 22-year career with 364 wins, 207 losses. Most recently, the REDS finished the 2017-2018 season with an impressive 21-7 record, including notable victories over several nationally ranked opponents in elite events around the country. The team traveled to Phoenix, AZ in December to compete in the prestigious Nike Tournament of Champions, winning the John Anderson Division.

Six REDS players have reached the 1,000 point milestone during Buckley’s tenure as head coach, and fourteen players have gone on to compete at the collegiate level in conferences including the ACC, A10, CAA, Big South, MAC and NEC. RPCS all-time leading scorer Adaeeze Alaeeze, Class of 2012, is currently playing professionally overseas after completing her collegiate career at Virginia Commonwealth University. Buckley has also coached three Baltimore Sun Athletes of the Year.

Prior to arriving at RPCS, Buckley coached AAU for several different programs and co-founded the Towson Tomados. He coached team Maryland to a bronze medal in the junior Olympic Games.

RPCS Alumna Dani Kell Steinbach, Class of 2004, will take over as head basketball coach effective immediately. Since 2009, Steinbach has spent two seasons as junior varsity head coach and seven seasons as assistant to Buckley for the varsity team. Buckley will continue to support all student-athletes at RPCS in his role as Associate Athletic Director.

Saint John’s Catholic Prep School’s coach Stuart Wilson has been named the head varsity boys’ basketball coach for the 2018/19 season. In addition, he will take over as the school’s physical education and health teacher. Coach Wilson has over 20 years of experience coaching in both public and private school settings. He has coached student-athletes at various levels ranging from being the head coach at Montgomery College for two seasons to coaching at the high school level. Coach Wilson came to Catholic Prep last season as an assistant varsity coach.

In this position, these three coaches will strive to maintain a Catholic environment that encourages growth in mind, body, and spirit. They will utilize basketball experiences to help student-athletes learn lessons that they will carry with them for the rest of their lives.

Beginning this summer, Saint John’s Catholic Prep will be partnering with Rehab 2 Perform (R2P) to manage all aspects of their athletic training program! This change brings to the school a new, professional comprehensive program for their student-athletes while opening several doors to assist in the future development in expanding their services on many levels.

The Rehab 2 Perform Company is a privately held entity dedicated to the overall mission of physical therapy, sports rehab, and performance evaluation. Their commitment to high school athletic training adds to their profile, and SJCP is delighted to be the FIRST high school in this ground-breaking partnership. R2P was founded by Dr. Josh Funk, who serves the company as the Chief Executive Officer. A lifelong athlete, Dr. Funk was a former
star lacrosse player at Ohio State University. His graduate work was completed at the University of Maryland-Baltimore County and he has additional certifications in strength and conditioning, CrossFit training and postural restoration.

Spearheading this new initiative with R2P and Dr. Funk will be Dr. Jarred Boyd. Dr. Boyd, a physical therapist, earned his Master’s in Athletic Training at Shenandoah University. He has experience at the University of Tennessee and the United States Air Force Academy.

A new athletic trainer on site will work closely with the school and R2P to bring the most contemporary of standards and best practices in athletic training. The new trainer will also bring vitality to the school through teaching in the new physical education and health curriculum.

AIC and CIC Reimbursement Process
Lisa Magness, CMAA, CIC
MSCA Executive Director

In order to get the $100 reimbursement for becoming an AIC or CIC you MUST adhere to the following:

1. You must be a member. MSCA/NFHS dues are $16 and 2017-18 membership ends on July 31st. To be eligible for the reimbursement for the 2017-18 school year, membership, completed course work and certificates need to be sent to Lisa Magness, lmagness@aacps.org by July 21st. No exceptions will be made.

2. After you receive your NFHS membership card in the mail you are considered a member of the MSCA and NFHS. This takes about 30-35 days. Please note that I submit membership requests to the NFHS twice a month (15th and 30th of each month). Therefore, receipt of your membership application will depend on when you will receive your membership card.

3. Once you have received your membership card, you may complete your AIC or CIC reimbursement process. The date on the AIC or CIC certificate which is awarded on the NFHS website must be dated after you have received your membership card. All membership and course completion data is entered into the MSCA/NFHS database. If the reimbursement request date precedes the membership date, then the reimbursement request will be denied.

4. Once you receive your AIC or CIC certificate from the NFHS, send a copy to Lisa Magness, lmagness@aacps.org. I will verify NFHS membership, completion of all course work and receipt of a copy of the AIC or CIC certificate. I will then notify the treasurer of the MSCA to mail a $100 reimbursement check to you. The check will be made out to you, but will be mailed to the attention of your athletic director.

5. You are only eligible for one (1) reimbursement per membership year.

If there are any questions, please email me.

Athletic Directors, please communicate this information to the coaches in your school. The goal is to increase coaches membership in the MSCA and the NFHS, Coach Education and AIC and CIC certification.

Also, with the 2017-18 membership period ending July 31st, it is recommended that any coaches who are requesting reimbursement to wait until the 2018-19 school year.

Thanks and have a great rest of your school year.

Congratulations to Those Who Have Earned Their Certification!

Are You Receiving Your Information from the NIAAA?

In mailing the Spring IAA magazine, there were nearly 1000 incorrect addresses among our membership that are included in the NIAAA database. All states have some addresses that need attention.

In many cases the error is simply not having a city, or state, or zip code listed. In some more extreme cases there is no contact information included, or contact information is under the wrong heading.

Please log into your NIAAA member portal, go to Profile Home, and check your personal bio for accuracy. If necessary, please correct your contact information there.

The bottom line is that currently these individuals are not receiving IAA magazine, or other NIAAA mailed materials.

New PSA’s

Since 2012, the National Interscholastic Athletic Administrators Association (NIAAA) has been telling the story of education-based high school athletics through radio commercials that are being broadcast on more than 500 stations nationwide, including dozens right here in your state.

Here is a link to our 2018 radio campaign. Please take a minute to listen. You also are welcome to share our new public service announcements with your colleagues, community, and local radio stations. This is one more example of all the ways the NIAAA continues to promote the value of participating in your school athletic programs.

In the coming weeks, the NIAAA will be making an effort to gain new members. We want to help all high school and middle school ADs in America be the best that they can be.

Thank you for all you are doing to support school sports in your community.

2019 National Athletic Directors Conference

Once again Maryland will be the site of the National Conference. The dates will be December 13-17, 2019 at the National Harbor Gaylord Resort.

The MSADA will have a few responsibilities:

- Fundraising for the MSADA (so we don’t have to go in to our treasury)
- Registration Packet Preparation
- Host Booth
- Hospitality Room for one or two nights
- Spouse/Guest Breakfast (which may be taken off site)
- Exhibit Hall Assistance
- LTI Courses Assistance

If you are interested in helping with these responsibilities, please email Carol Satterwhite, cmsatterwhite@verizon.net.
