## Keynote Speaker

**Jamila Batts, BSN, MPH, RN, CHES, CHC**

Jamila L. Batts has worked in the field of Public Health focusing on Maternal and Child Health for over eleven years. She has been instrumental in developing and implementing community level strategies to educate the community about data driven interventions that can effectively improve birth outcomes and reduce infant mortality. She was the Fetal and Infant Mortality Review Team Leader for five years with the Shelby County Health Department. Currently, she is the Community Health Liaison for Fit Nation Inc. where she works to implement nutrition and physical activity interventions that will decrease infant mortality by addressing the prevalence of obesity among women of childbearing age.
